

CCVC Social Competition Finals (Season 1) 29 May 2022

Key Information

(Information current as at Tuesday 24 May 2022)

As advised in the Social Competition Rules, the CCVC Social Competition Committee would announce the format of the Finals closer to the end of the regular season. The following conditions apply to the Social Competition Finals:

- Season 1 Finals will take place on **Sunday 29 May 2022**.
- The court has been booked by CCVC between 4:30pm and 8:30pm and a strict schedule has been prepared (see page 2 for details). It is all important that all players work within these schedules to ensure all Grand Finals have maximum time to complete three full sets.
- The prize for players who win the Grand Final in their grade is:
 - A \$50 discount (per player) off their Season 2 Entry Fees for the **A Grade** winners. The voucher is not transferable for cash.
 - A pair of volleyball knee pads for the **B and C Grade** winners.
- ALL players must be registered with Volleyball NSW and linked to CCVC in RevSport to be eligible to take the court. **NO VNSW registration, no gametime, no exceptions**. The CCVC Committee will attempt to remind players who haven't completed their VNSW membership, however it is the responsibility of the player to ensure they are registered (this was agreed to by players when they completed their registration form).
- There are **no** replacement players in Finals; if a team has less than five registered players a forfeit will be awarded to the other team. CCVC may allow the two teams playing in the next game to use the court for warm-up if a forfeit is awarded.
- Each Semi-Final will have 10 minutes warm-up, and then will go for 60 minutes or when one team wins two sets (whichever happens **first**)
- If the 60 minutes finish without either team winning two sets, the team that is leading in the third set will be declared the winner of a Semi Final.
- Each Grand Final will be best of three sets (that is, first to two sets).
- If Semi Finals finish early, CCVC may choose to start the next match earlier to ensure maximum time for Grand Finals. It is recommended that players playing in Semi Final 2 get to the court by no later than 5:30pm.
- If the Grand Final on a court is completed early, the court should be packed up ASAP and left empty. **No unstructured hitting is allowed**.
- Due to time constraints, there will be no final presentation after the completion of all matches. Once the court is packed up, players are welcome to leave or stay and watch the completion of the other Grand Finals.
